#### COURSE CREDIT/UNIT VALUE

A semester unit is a credit of one hour per week for one semester (15 weeks in length).

#### **COURSE NUMBERING AND CLASSIFICATION**

The first digit of the course indicates the year level of the course. 000-preparatory courses; 100-first undergraduate year; 200-second undergraduate year; 300-third and fourth undergraduate years without graduate credit; 400-third and fourth undergraduate years with graduate credit for graduate students; 500-first graduate year; 600-second graduate year; and 700-third graduate year.

#### **GRADING SYSTEM**

The following grades are used: A, excellent; B, good; C, fair in undergraduate courses and minimum passing in courses for graduate credit. D, minimum passing in undergraduate courses; and F, failed. Additional grades include CR, credit; NC, no credit; P, pass; and NP, no pass. The following marks are also used: W, withdrawn; IP, in progress; UW, unofficial withdrawal; MG, missing grade; IN, incomplete; and IX, lapsed incomplete.

#### GRADE POINT AVERAGE (GPA) CATEGORIES/CLASS LEVEL

A system of grade points is used to determine a student's grade point average. Grade points are assigned to grades as follows for each unit in the credit value of a course. A, 4.0 points; A-, 3.7 points; B+, 3.3 points; B, 3.0 points; B-, 2.7 points; C+, 2.3 points; C, 2.0 points; C-, 1.7 points; D+, 1.3 points; D, 1.0 points; D-. 0.7 points; F, 0 points; UW, 0 points; and IX, 0 points. Marks of CR, NC, P, NP, W, IP, MG and IN do not affect a student's grade point average. There are four categories of class level and GPA: Undergraduate, Graduate, Law, and Other. UNDERGRADUATE is comprised of Freshman (less than 32 units earned), Sophomore (32 to 63.9 units earned), Junior (64 to 95.9 units earned) and Senior (at least 96 units earned). GRADUATE is comprised of any coursework attempted while pursuing a master's and/or doctoral degree. LAW is comprised of any coursework attempted while pursuing a Juris Doctor or Master of Laws degree. Other is comprised of any coursework attempted while not admitted to a degree program or coursework not available for degree credit.

#### **CLASS RANK**

The University of Southern California does not calculate or support a class rank for its undergraduate students. While most graduate programs do not rank students, requests for graduate student class rankings should be directed to the dean of the particular school in which the graduate degree was earned.

#### STUDENT GOOD STANDING

A student is considered to be in good standing if they are eligible to register for classes. Disciplinary good standing is determined by the Office of Community Expectations.

#### TRANSFER CREDIT

Coursework accepted from other institutions is summarized into undergraduate and graduate areas. The summary information includes the number of units and GPA. The transfer institution(s) and dates of attendance do not appear on the USC transcript.

# University of Southern California Authentication of Official Documents Delivered Electronically

This document has been transmitted electronically to the recipient specified by the owner of the record. If you are not the intended recipient, please notify the Registrar's office at the University of Southern California 213 740-7445 or gtv@usc.edu. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This document has been digitally signed and therefore contains special characteristics. When this document is viewed through Adobe Reader versions 6.0 or higher or through Adobe Acrobat versions 6.04 or higher, it will reveal that a digital signature has been applied to the document. A pop-up screen or status bar will indicate whether the document is either valid, invalid, or whether the signer of the document is unknown and other measures must be taken to authenticate the document. In addition the pop-up screen allows for further examination of the digital signature, allowing you to authenticate the origin of the document.

A **valid** signature means that the document's contents have not been changed or altered in any way. Also, when the pop-up screen or status bar displays a message that the digital signature is **valid** it means that the author of the document is known to the certification authority and the person or institution represented by the digital signature is true and authentic. A document that contains a digital signature that can be instantly validated will display a **blue ribbon** on the pop-up screen or status bar and in the lower left corner of the frame of the application

An **invalid** signature display means either the digital signature is not authentic, or the document has been altered. Sometimes the digital signature has been revoked for some reason, or that it has expired. A document with an **invalid** display should be **rejected**.

A third possible message, **Author Unknown**, can have two possible meanings: the digital signature cannot be validated due to a disconnection to the internet, or that the digital signature cannot be instantly validated via the internet. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital signature on-line, **reject** this document.
